EUROWELD ®
WHERE QUALITY MATTERS

WHERE QUALITY MATTERS

Established in 1999 at Chawri Bazar, Delhi, M/s NIRMAL WELDING AIDS began its journey in welding and safety equipment. Responding to evolving customer demands for high-quality products, we started M/S EUROTECH INDUSTRIES, Delhi in 2001.

Under the brand name "EUROWELD" we manufacture a diverse range of welding products, utilizing cutting-edge technology and fully automated CNC machines to ensure precision and accuracy. Our commitment to quality is embodied in our motto, "Where Quality Matters." Over the years, we have continuously improved our processes to meet the highest national and international standards, including BIS, CE, and ISO.

With a team of experienced engineers and ongoing customer feedback, we strive for continuous quality enhancement. Our dedicated R&D team ensures the development of zero-defect new products. Each production lot undergoes rigorous testing in our laboratory under extreme conditions, including tests prescribed by B.I.S.

Exciting News!*We are thrilled to announce that our Flashback Arrestor, has been granted an ISI license. This marks only the second license of its kind in India, showcasing our commitment to quality and innovation in welding and safety equipment.

OUR PRODUCTION UNITS

EUROWELD
WHERE QUALITY MATTERS

WELDING CABLE COPPER CONDUCTOR

Nominal Area of Conductor	Number / Diameter of Wires in mm	Thickness of Covering in mm	TRS / General (20%)	HOFR (30%)
16 sq. mm	510 / 0.20 mm	2.00 mm	210 Amps.	246 Amps.
25 sq. mm	769 / 0.20 mm	2.00 mm	279 Amps.	343 Amps.
35 sq. mm	1114 / 0.20 mm	2.00 mm	349 Amps.	403 Amps.
50 sq. mm	707 / 0.30 mm	2.50 mm	440 Amps.	509 Amps.
70 sq. mm	990 / 0.30 mm	2.50 mm	555 Amps.	643 Amps.
95 sq. mm	1333 / 0.30 mm	2.50 mm	669 Amps.	774 Amps.

ROBO AR/CO^2

ROBO NEW

- Full Brass Construction For Long Lasting (CNC Made)
- Preset Pressure (Auto Adjusting) for gas saving
- Zero Maintenance
- Unbreakable Flowmeter Tube
- Inbuilt Thermostat for Constant Temprature
- Flat Pin Plug for 36V

- Standard Packing - 24pcs.
- Available in 220 / 110 / 36 Volts

Argon Regulator With **Flow Meter**   **PRODUCT CODE : A-7/B-7**   CO^2 Regulator with Heater & **Flow Meter**

CO$_2$ TRIO REGULATOR

IS:6901:2018
CM/L No. 2717560

Trio

Built in Thermostatically - Controlled, Electric Heater keeps the Co2 warm, allowing for continues duty cycle without freezing along with adjustable flow rate.

- Fitted with Sintered S.S. Inlet Filter
- Standard Packing - 12 pcs.
- Available in 220 / 110 / 36 Volts

PRODUCT CODE : A8
